Guidance Notes

The Building Notice option cannot be utilised where:-

The building is a 'designated use' under the Fire Precautions Act 1971 which Includes offices, shops, factories and hotels and/or is a workplace subject to the Fire Precautions (Workplace) Regulations 1997, Or where there is a duty to consult with the Fire Authority under the Regulatory Reform Order (Fire Safety) 2005.

Submission details

The following details should be submitted with one completed copy of the application form and the appropriate fee.

1. Application for Building Control Approval with Full Plans for Non Higher Risk Building Work:-

Full constructional specification and details plus duplicate copies of plans

2. Building Notice Applications for Non Higher Risk Building Work:-

In the case of a Building Notice, a site plan and other particulars in accordance with Regulation 13. Additional information may be requested

3. Regularisation Application:-

The Regularisation procedure should be adopted for applications in retrospect. In such instances The Local Authority may require the applicant to take reasonable steps, including laying open the unauthorised works for inspection, making tests and taking samples as the authority think appropriate to ascertain what work, if any, is required to secure compliance with the relevant legislation

4. Reversion Applications.

The Reversion procedure should be adopted where the works revert back to the Local Authority from a Registered Building Control Approver. In such instances The Local Authority may require the applicant to take reasonable steps, including laying open the unauthorised works for inspection, making tests and taking samples as the authority think appropriate to ascertain what work, if any, is required to secure compliance with the relevant legislation

5. The Party Wall Act 1996:-

Some works in relation to party walls could invoke proceedings under the party Wall Act 1996, you should understand these requirements prior to undertaking such proposal

6. Completion Certificates:-

Completion Certificates will only be issued when an appropriate electrical safety certificate has been received and the relevant Building Regulations charge has been paid in full

7. Drainage Connection:-

Subject to certain provisions of the Water Industries Act 1991, owners and occupiers of premises are entitled to have their private foul and surface water drains and sewers connected to the public sewers, where available. Special arrangements apply to trade effluent discharge. Persons wishing to make such connections must give not less than 21 days notice to the Authority

8. Regulations
