

Land to the East of Blaina Road Brynmawr

courtesy of Google Street view

Grid Ref: 319067 211389

Description:

This site is brownfield land which was formerly part of the Dunlop Semtex factory. The former boiler house, which is a Grade II Listed building, is located to the north of the land. The site is located at the edge of Brynmawr town centre and lies adjacent to Lakeside retail park and to the east of Blaen-y-Cwm school. Access can be achieved off Blaina Road. The land is flat and covered in green foliage with trees along the eastern boundary.

Delivery Considerations:

Trees along the eastern boundary will need to be integrated into the development. An assessment of the risk to controlled waters is required. Transport infrastructure improvements may be required to ensure developments are highly accessible.

Further Information and Support:

The **Planning Department** provides a Planning Advice Service where more specific advice will be given on development proposals. Details of the service provided and the relevant charges can be found on the Blaenau Gwent website.

Blaenau Gwent Local Authority **Building Control** can oversee and guide your building regulation application in a quick, professional and responsive manner. Our service is extremely competitive. More information can be found on the Blaenau Gwent website.
