

Blaenau Gwent Corporate Plan 2022/27

Blaenau Gwent Council's Corporate Plan acts as its business plan by setting out our priorities for 2022/27. It outlines not only what the people of Blaenau Gwent can expect from the Council but equally, what the Council is asking from its citizens and partners.

Our Corporate Plan 2022/27 sets out an ambitious programme of activity for the Council over the next five years and beyond. The priorities, also referred to as Well-being Objectives, have been developed in order to support our communities to thrive. The people of Blaenau Gwent are at the heart of all that we do and the Corporate Plan is our commitment to the communities of Blaenau Gwent to provide modern and high quality services which support economic growth and well-being.

As a Council we will be an outward looking organisation who will work in partnership with businesses, the public and voluntary sectors, and communities to be a more commercially minded and business orientated organisation.

Through focusing on delivering the Corporate Plan we can begin to transform Blaenau Gwent into a more prosperous and welcoming area that celebrates its heritage and plays its part on the regional and national stage. It is also a key part of building a more confident and capable Council. It is about achieving real outcomes for the people of Blaenau Gwent and is underpinned by solid and sustainable plans, ensuring the Council can be held to account for what it has promised to deliver.

The Corporate Plan is a requirement of the Well-being of Future Generations (Wales) Act 2015. The primary aim of the Act is to improve the social, economic, environmental and cultural well-being of Wales. The Act sets out seven national well-being goals that we have a duty to contribute to. The Act intends to make the Council think more about the long term, work better with people and communities, look to prevent problems and take a more joined-up approach.
