## **Petroleum Certification - Fees & Charges**

### ***Note 1:***

Storage certificates for dispensing premises may be granted on an annual basis, up to a maximum of 10 years.

Fees are not refundable neither can refunds be given where either trading ceases, or transfer to another takes place part way through any certification period.

Storage certificates for domestic and other relevant premises may be granted on an annual basis, up to a maximum of 3 years and are non-transferable.

Please bear this in mind especially when applying for longer periods of certification.
