Response to Inspector's Questions INSP 010**

The Council is directed to advise me in writing no later than Tuesday 17 July 2012 which of the cycle routes in Policy T1 cross grazing land and/or to identify any cycle routes in Blaenau Gwent or adjacent local authorities which cross such land.

The Council advises the Inspector that cycle route T1.9 Brynmawr to Blaenavon crosses grazing land, north of Noble Square, Brynmawr. A further cycle route known to cross grazing land is National Cycle Route 42 at Abergavenny where it crosses Castle Meadows; this is used cows.
