Dear Sir,

Land at Farm Road, Sofrydd – Map Reference ST2199SE

Further to your correspondence dated 24 July 2012 requesting submissions regarding consultation on matters arising changes during examination hearing, Tai Calon Community Housing would like to make the following submission: -

The land was transferred to Tai Calon Community Housing in 2010 as development land and we therefore object to the re-designation of this area of land.

Although at this early stage we do not yet have a structured development plan for this particular land if it becomes designated outside the settlement boundary and within the Special Landscape Area future development would be prohibited.

Yours faithfully,

Bill Pearch
Director of Property & Asset Management
Tai Calon Community Housing
